

pictable

a pictable is a tool of a new ministry aimed at integrating visual art into the church. the word pictable stands for picture parable. just as Jesus used words to paint pictures, a pictable uses traditional art materials to tell stories, communicate difficult concepts and provide an image during worship.

*a picture is worth  
a thousand words*

we are a visual society. the goal of this ministry is to utilize this trait in our worship services. the pictable is a powerful medium to communicate to people. the integration of music, imagery

a pictable is a great instrument for education. you can open up a new understanding of God, Scripture or a difficult

and the Word into our worship time can create an experience with God that we will never forget.

vision is a powerful gift. using it in tandem with our other senses can be even more powerful. a pictable can unlock the potential of a meaningful visual in our worship services.

concept by using a pictable to supplement your message.

a pictable is not only flexible with content, but also in the presentation. many options are available for incorporating a pictable into your service. the possibilities are endless.
